MISSION

Portland Experimental Theatre Ensemble (PETE) is an artist cooperative dedicated to creating new theatrical events that reify the relationship between audience and artist. We develop original, ensemble-generated pieces and produce innovative interpretations of classical text. Inspired by a contemporary design aesthetic, inventive storytelling modes, and heightened emotional honesty, we create work that is visceral, raw and revealing.

Applications are accepted year-round. Internship are project based- please make sure to indicate the time you are available and your areas of interest. This is an unpaid internship, but we are able to offer all interns free admission to PETE trainings, classes, and shows. To apply, please submit a cover letter, resume, 3 references, and your responses to the following questions:

- 1) Why would you like to be an intern with PETE, specifically?
- 2) Describe your training and experience.
- 3) What do you see in your future and what would you like to learn next?
- 4) Envision your ideal internship. What do you offer PETE? What does PETE offer you? What do you do on a daily, weekly, or monthly basis? Detail the duration you would like to work as a pete intern, include a start and end date.
